Introduction

Welcome to the HSS Tool and Equipment Sales Guide

HSS has over 50 years experience within the tool and equipment hire industry, but you probably weren't aware that you can also buy equipment from HSS too, via a dedicated Equipment Sales Team.

This is our first Tool and Equipment Sales Guide and it's packed with your favourite hand tool, power tool and site equipment brands. From cover to cover you'll find outstanding choice and value for money on high quality performance products.

Product Range

With full access to the UK's most popular brands HSS can source what you want, when you need it. And as you'd expect these leading products come complete with the original manufacturer's guarantee.

Product Innovation

This Sales Guide is a launch pad for innovation. You'll see the latest stream of new products in every issue, with many setting market-leading standards in reliability, functionality and durability. Without doubt it's one of the best line-ups of tools and equipment available.

With over 20,000 products to choose from the HSS Tool and Equipment Sales Guide has something for everyone...
