1

### Measure your parcel and get a quote

All you have to do is fill in where your parcel is going, and tell us how big (and heavy!) it is, and we'll do the rest. Make sure you are accurate with the weight and dimensions you enter to avoid any extra charges down the line,

2

### Choose the service that's right for you

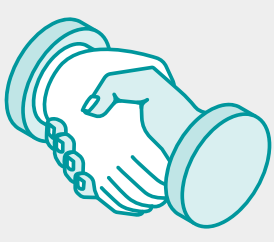

Take a look through all the options and choose the extras that are right for you. Whether you're looking for a guaranteed signature, increased cover, or timed delivery, we have a service to fit your needs.

3

### Book, pay and print your label

Once your parcel is packaged, simply book and pay for your delivery. We'll send you a label and attach it securely. No need to worry if you don't have a printer as we have a service marked 'no printer'.

## Don't just take our word for it

Customer satisfaction is very important to us. That's why we like to regularly check in with our customers to ask them how we're doing.

Feedback helps us learn about which areas we're excelling in, and which may need a improvement. Either way, we'll always get back to you.
